If the petition circulator does not comply with all of the requirements of the Michigan election law for petition circulators, any signature obtained by that petition circulator on that petition was signed in his or her presence; that he or she has neither caused nor permitted a person to sign the petition more than once and if the circulator is not a resident of Michigan, the circulator shall make a cross or check mark in the box provided, otherwise each signature on the petition shall be considered valid. If the circulator is not a resident of Michigan, the circulator shall make a cross or check mark in the box provided, otherwise each signature on the petition shall be considered valid.

Full text of the proposal (language that would be added shown in capital letters, dotted lines struck out with a line):

A petition to initiate legislation to amend the Michigan Election Law, 1954 PA 116, MCL 168.495, 523, 759a, 759b, 761.761b, 764b, and adding section 820.760a, to require that a signature for petition circulators for in-person or dropbox delivery, prohibit officials from making absentee ballot applications available except upon voter request. These provisions prohibit donations to fund elections.

The People of the State of Michigan

Section 2092. The registration application required contains all of the following:

1. The name and address of the elector, including the street and number or rural route and box number and the apartment number, if any.
2. The date of birth of the elector.
3. The date of registration if the registration is more than 30 years old or the expiration date if the registration is for more than 30 years.
4. The last four digits of the Social Security number of the elector, if the voter has been registered more than 30 years and if the voter has been registered for more than 30 years.
5. The elector's state or country of birth.
6. The elector's race.
7. The elector's date of death if the voter has died.
8. The elector's sex.
9. The elector's city or city and county.
10. The elector's county.

Section 2093. The registration application is not considered valid if:

1. The elector is not a resident of Michigan.
2. The elector's sex is not a male, a female, or blank.
3. The elector's race is not a white, a black, or a blank.
4. The elector's date of birth is not a date, if the voter has been registered for more than 30 years.
5. The elector's state of birth is not a state or country.
6. The elector's county of birth is not a county or city.
7. The elector's date of death is not a date, if the voter has died.
8. The elector's city or city and county of registration is not a city or county.
9. The elector's county of registration is not a county or city.
10. The elector's race is not a white, a black, or a blank.
11. The elector's sex is not a male, a female, or blank.

Section 2094. A record of the action of the board in granting or denying the registration application is required to be kept and to be open for public inspection.

Section 2095. The election officials shall not be responsible for any application for an absentee ballot that is not signed in the presence of the elector, provided that the voter request the mail in ballot on the petition and has been registered for at least 30 years. The elector's signature on the application shall be considered valid if the voter signs the application on the petition.

Section 2096. The election officials shall not be responsible for any application for an absentee ballot that is not signed in the presence of the elector, provided that the voter request the mail in ballot on the petition and has been registered for at least 30 years. The elector's signature on the application shall be considered valid if the voter signs the application on the petition.

Section 2097. The election officials shall not be responsible for any application for an absentee ballot that is not signed in the presence of the elector, provided that the voter request the mail in ballot on the petition and has been registered for at least 30 years. The elector's signature on the application shall be considered valid if the voter signs the application on the petition.

Section 2098. The election officials shall not be responsible for any application for an absentee ballot that is not signed in the presence of the elector, provided that the voter request the mail in ballot on the petition and has been registered for at least 30 years. The elector's signature on the application shall be considered valid if the voter signs the application on the petition.
